

Oak Hill School Alumni Courtyard

Our Alumni Courtyard features hundreds of engraved bricks with name and graduation date of OHS alumni who appreciate their years at Oak Hill School.

The bricks show gratitude for the school's role in building integrity and character in a Christian environment, and the impression the school made to encourage a love of learning and service that lasts a lifetime.

Place your order for an Oak Hill School graduate to have his or her name engraved on a brick to forever leave a mark at their alma mater.

The cost is \$125 for a brick in the Alumni Courtyard, and the proceeds support the school's endowment, ensuring a strong future for the school.
